A Word about Sizes

We carry articles by various manufacturers. Dance clothing may not run the same as street clothing. We know our clothing lines and will be happy to help you find the right fit in any product line. If you can't come to our store for personal attention, please take your bust (A), waist (B), hip (C), and girth (D) measurements and use the charts below to determine size or call our toll-free line for assistance.

How to Measure Girth (D)

Hold end of tape measure on top of shoulder. Run tape down front of body, through crotch and back up the same shoulder. Allow for curves of bust and abdomen. Measure comfortably over buttocks and into small of back. This gives you total girth measurement.
